 - ◆ Signed Birth Certificate Consent Form
 - ◆ Emergency Information Sheet
 - ◆ Emergency Medical Authorization
 - ◆ Emergency Health Information and Medical Plan
 - ◆ Child Physical Health Form and Immunization Records Signed by physician

A note about snacks and special treats.....

Throughout the school year we schedule holiday parties for the children to enjoy the holidays and celebrate birthdays and special occasions. It is important to follow the following guidelines so that all children may enjoy snacks or treats that you wish to bring to school. When the situation arises for you to bring a treat to school, please discuss preferences with your child's teacher. We prefer healthy and safe snacks and treats to round out our nutrition program. If you have any special needs, requests, or concerns please contact your child's teacher. It is entirely your choice to send a special snack/treat for your child's birthday, it is not a requirement and the day will be no less special without it. Also, state law requires that all food items be **store-bought, unopened and in original packaging**. Any food items that are not brought according to guidelines cannot be served to the children.
